NAPLAN

The Queensland Government is undertaking a review of NAPLAN in the Queensland context, to better understand the impacts NAPLAN is having on learning and teaching within the state.

The first stage of the Review, conducted in June 2018, focused on consultation with parents.

The second stage is now underway, with consultation extending to students, teachers, principals and other key education stakeholders across Queensland.

Queensland students in years 3 to 10 are now invited to provide feedback on their experiences with NAPLAN, via an online survey. Students wishing to participate will require the consent of a parent or carer, who can assist with completing the survey at home.

The survey link is available at <https://survey.lsia.com.au/s3/2018NapRevStudent>

This project has received ethical clearance from both the Australian Catholic University and the Department of Education. Further information on the student survey and the Review are provided within the survey link.

Disco Fever

Thank you to everyone who danced the night away at our Disco. It was fantastic to see all the families join in and a huge Thank You to our P and C for providing the sausage sizzle and drinks.

P and C meeting

Our next P and C Meeting will be on the Tuesday 16th October. Please come along and help make our school the best it can be.

Eton State School has an open door policy and welcomes parents to come into the classrooms to see what your child/ren are working on. If you have some time spare we would love your help in the classroom, please contact your child's teachers. If there is any questions, comments or concerns you have in regards to your child, please speak to their teacher or contact Mr Reynolds.

Plants please!

If you have any hardy, child friendly plants that we could add to our school gardens, please bring them along to beautify our school. They can be left at the school office.

Our P and C are maintaining our school ground. On most Sunday afternoons you will find them at school tiding up and maintaining, but anytime you could spare would be appreciated. Please contact Ellen—0408201787 to see what needs to be done.

Fire Evacuation

On Wednesday morning, Eton State School's Students and Staff were evacuated due to an electrical fault in the staffroom. Mackay Fire Brigade attended and the fault was identified and an electrician and ICT technical staff have repaired the problem. All Students and Staff were never in immediate danger, but were removed as a precautionary measure. Thank you to all involved.

Why is regular attendance at school important?

Regular school attendance will mean that your child gets a better chance at life. Your child will achieve better when they go to school all day, every school day:

they learn better

they make friends

they are happier

they have a brighter future. ✓
