Term 1 – Week 5  
19/05/2017

Dear Parents and Guardians,

Welcome to Week 5. The end of Term 2 is quickly approaching and with that comes report cards and parent teacher interviews.

It is important that you touch base with the teacher to discuss your child's progress.

Leaving questions unanswered or little problems grow into big ones serves no purpose whatsoever.

You will receive your child's report card on Monday, 19<sup>th</sup> June (last week of term).

Interviews will be conducted during Weeks 1 and 2 of Term 3.

It is worthwhile if you support us with the 'High Five' hand strategies of self managing so that students can build a strategy bank of how to cope.

The order of these strategies is:

- Talk friendly (try and sort the issue out yourself)
- Talk Firmly (tell the other person that you don't like what they are doing)
- Ignore (ignore the person and what they are doing as sometimes people do something to trigger a reaction.  
If they don't get a reaction and you ignore them then they may stop)
- Walk Away (walk away from the person who is annoying you and find someone else to play with)
- Report (find the person on duty and explain what they are doing and the fact that you have tried all of your strategies  
but they still will not leave you alone)

Remember Eton School Sports Day is Friday 9<sup>th</sup> June.

This year, we have we have divided students into two sporting teams. The sports captains are working with their team teacher to design their banner, and create war cries for our annual sports day.

Mrs Kaddatz as our P.E. Teacher is busy training students during P.E.

Mr Kaddatz came on Wednesday and marked out lines to ensure that practice makes perfect for the day particularly with the junior school students who need to get used to running in the lines.

Thank you Clint.

I will be absent from school on Monday and Tuesday of the next two weeks due to required doctors' treatments. During this time Ainslee Jorgensen will be on class and Hayley Kaddatz will be Acting Principal.

## Student of the Week

Alex S – great work on your +10 addition number facts.

Thomas J – completing all his written work neatly.

Events that Parents might like to budget for:

Event	Dates	Approximately
