Parent and community engagement

Eton State School has an open door policy that encourages parents to work in classrooms supporting teachers and their students.

Several parents go along each year to the annual camp as parent volunteers; at our school sports days parents come along, not only to cheer along their children but also to sell cakes in the shed for 'Cup Cake Day'; at 'Under Eights Day' parents helped run the activities, served food at the barbecue and sold homemade treats at the morning tea stall. Parents bring their creativity to school and support students with art and crafts to make gifts and masterpieces.

The P and C has a productive partnership with the school and believe the ethic 'Together Everyone Achieves More'.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships - as a staff we develop emotional and social resilience through talking things through with the students and encouraging them to do just that with each other.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES

Environmental Footprint

Reducing the school's environmental footprint

- The school has a bank of solar panels that help to reduce the electricity expense.
- We have signs in the toilets, classrooms and offices etc. asking users to turn lights, fans and air conditioners off.
- Recycling bins exist throughout the school to support the recycling ethic.

2015-2016	44,933	321
2016-2017	33,797	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the Department of Education procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Rolls are marked every morning at 8.30 and at 1.15pm. Students arriving after this time are marked as late. The parents of students who are absent (without a notice or explanation) are contacted via SMS4schools on the morning of the absence and a record is noted in OneSchool. If the explanation given is not deemed appropriate or sufficient by the Principal, an unauthorised absence is recorded. Parents collecting students early are expected to proceed through the office and sign the early leaving record book. The 'every state school succeeding strategy' and the 'every day counts' strategy is regularly communicated to key stakeholders. Parents whose student's attendance is below 85% are contacted by the Principal to discuss attendance rates.
